OPEN LETTER

Dear Customer!

VSA Auditing and Consulting Co., Ltd would like to wish you good health and success.

VSA Auditing and Consulting Co., Ltd is an enterprise specializing in providing audit services, tax consulting services, customs and Law consulting services. VSA has audited and advised many domestic and foreign enterprises, corporations, and projects operating in many different industries and fields such as manufacturing, services, construction, commerce, healthcare and recycled energy. VSA is one of the few auditing firms with a full staff of auditors, appraisers, financial experts and lawyers with many years of experience, VSA currently provides the best services and most professional for customers.

VSA's vision is to become the leading auditing and consulting firm in the field of auditing and consulting in the fields of financial accounting, tax, customs, legal, investment and valuation... brings a comprehensive, all-inclusive solution that accompanies and develops sustainably with businesses and investors.

With the motto "Always a dedicated auditor and consultant", We are committed to providing services with the highest sense of responsibility and professionalism before, during and after the service provision process. We very much hope that you will consider choosing as a provider of audit services and other specialized services.

We would like to enclose here the Capability Profile describing the activities, capabilities and experience of VSA!

We wish to cooperate with your company!

Best regards!

INTRODUCTION

VSA Auditing and Consulting Co., Ltd was established by experienced auditors and lawyers. We have head office in Hanoi, branch in Ho Chi Minh City and many representative offices in many provinces across the country. After many years of operation, VSA has gained a certain reputation in the audit and consulting industry with comprehensive comprehensive services including auditing, accounting, tax consulting, valuation and investment consulting for customers, especially investors and foreign-invested enterprises (FDI).

DIFFERENCE
